1341 Geddes Ave, Apt. 4
Ann Arbor, Michigan; 48104

OBJECTIVE

- Seeking an internship in the computer science field
- Establishing long-lasting relationships with new people and exploring my interests

SUMMARY OF QUALIFICATIONS

- Excellent communication skills, able to express ideas clearly and concisely
- Hard working and focused, always gets work done efficiently and ahead of time
- Very adept learner, applies knowledge gained in a quick and productive manner

EDUCATION

The University of Michigan – Ann Arbor – College of Engineering

Bachelor of Science, Computer Science Engineering

Expected Graduation: April 2019

Cumulative GPA: 3.980/4.0

Relevant Coursework:

- | | |
|--|---|
| • Computers and Programming (C++, Matlab) | • Discrete Mathematics |
| • Microprocessors (Verilog, Assembly Language) | • Data Structures and Algorithms (C, C++) |

EXPERIENCE

University of Michigan: Microprocessors Project (January 2016 – April 2016)

Team Group Member

- Proposed the “Magic Mirror” idea as a means of upgrading technological aspects of the home
- Implemented and created our own microprocessor (Verilog) and specific drivers (Assembly Language) that were necessary to complete the prototype
- Utilized an Altera FPGA development board to transfer data from Quartus
- Presented prototype in a novel-technology showcase

ACTIVITIES

- Member of Premier All-male A-capella Group, the Michigan G-Men (2015 – Present)
- Captain for Intramural League Volleyball, Flag Football, Dodgeball, Wallyball (2015 – Present)
- Announcements Manager and Member of Harvest Missions Community Church (2015 – Present)

HONORS

- Regents Merit Scholarship (2015-2016)
- William J. Branstrom Freshman Prize through the College of Engineering (2016)
- Ashkins Merit Scholarship (2016-2017)
- James B. Angell Scholar (2017)

ADDITIONAL NOTES

- Conversational in Spanish and Mandarin
- Experienced with Microsoft Office – Word, Excel, PowerPoint; Prezi
- Immersed in fitness – I play multiple sports and weight lift on a daily basis.
- Passionate about music – I sing, play guitar, and record song covers in my free time.
